

## REDS

- **2014 Hernando y Sourdais Antidoto** \$25  
Tempranillo  
Ribera del Duero The Antidoto is meant as an antidote to the many Ribera del Duero wines that substitute heavy-handed winemaking for a sense of place and variety. The wine comes from 80-year-old vines in the cooler part of Ribera del Duero and is unfiltered and unfinned and aged in neutral barrels. The wine has red fruit flavors, a racy acidity and considerable minerality on the palate.
