□ **2017 Contra Soarda Breganze Vespaiolo** \$20

Vespaiolo derives its name from the wasps (vespa) that feed on the grapes as sugar accumulates later in the season. This wine shines as a rich, dry wine with bountiful aromatics of apple blossom, white peach, orchard fruit, and ripe citrus. Fairly full on the palate with a rich texture, the initial flavors of juicy apple and peach give the impression of sweetness which is lifted away by high acidity and a mineral finish.
